Surface area above ground
15 100m²

Construction period
2 years 1 month

Start work
05-2016

End of work
06-2018

We designed and built the new police station for the Limburg Capital Region (LRH) police zone on behalf of AGB Stadsontwikkeling Hasselt. W-Care is responsible for the 20-year maintenance.

The new building is divided into three zones: a parking garage, an intermediate zone with a shooting range, and a prisoner complex with support functions and the offices at the front of the building. The office volume consists of five storeys. The new police station is part of the Campus H security site and will be ready one month sooner than expected.
