Construction period
1 year 6 months

Start work
10-2015

End of work
04-2017

Design and construction of offices for all police services, the necessary premises for victim assistance, changing rooms, interrogation rooms, a cell complex and the necessary parking spaces for service vehicles. In addition to the police services, the building also houses an outpost for the fire brigade. In this way, an optimal service to the citizens is guaranteed.
