Artevelde Plaza in the heart of De Panne stands for stylish living on the beach. On the ground floor, two apartments have a terrace in green surroundings and there is the possibility for retail space. There are 36 apartments on the first through sixth floors. Most apartments have terraces oriented to the sun or a view of the sea in the distance. For living comfort and privacy, a videophone, spacious lift and wide hallways are foreseen. The total of 38 apartments have one to three bedrooms and a surface area of 66 to 118 m².
