PS2, BEOZE

#### Construction period

1 year 6 months

#### Start work

06-2016

#### End of work

12-2017

L'école de la vallée is a type 1 and type 2 special primary school (adapted pedagogy for autism) with about 130 pupils in 11 classes. Its facilities allow the development of special courses and projects such as noise abatement, waste reduction and welfare. School trips are organised, as well as green lessons to enable all children to become responsible citizens.
