

## **Corda Campus - Hasselt**

On the Corda Campus, we renovated two former Philips production halls into the workplace of the future: 54 work units, 6 office islands and 40 flexi-workplaces connected by footbridges. This new way of cooperating between the different companies should stimulate crossfertilisation. Thanks to tight LEAN planning, we managed to complete the job in less than 6 months.

## **Project Details**

Activities Buildings Offices

Contractors Willemen Bouw

location 3500 Hasselt Belgium Limburg BE

> Client Corda Campus

> > **Price** €6.000.000
