3 years 1 month

Start work
09-2019

End of work
10-2022

The shopping centre underwent a complete facelift both inside and outside and was expanded from 36,000 to 50,000 m². This makes it one of the largest shopping centres in our country. The works took place mainly at night so that the shopping centre could remain open and visitors were inconvenienced as little as possible. 700 parking spaces were also added.
